---

A school technology levy of $45.00 is applicable to all students. This will include a student ID card for grades 7-12.

Please do not purchase a large “all subjects in one” type of exercise book/folder as books are handed to teachers for review and marking. Subjects cannot be separated in this type of book.

Our school has class sets of dictionaries, atlases and calculators for student use. Purchasing of these items for personal use is however advised for use at school and at home.

All students require a full brimmed hat.
