Ideas to help prepare children for prep…

Personal Hygiene

Practise with your child…
- Dressing themselves
- Toileting themselves
- Blowing their nose when needed
- Tying their shoe laces.

Literacy

Practise with your child…
- Writing their name
- Singing the alphabet
- Reading some letter names and sounds of the alphabet (particularly the letters in their name)
- Speaking clearly and in full sentences

Numeracy

Practise with your child…
- Recognising common colours and shapes
- Counting to 10

Your help and support from home makes such a difference in your child’s education.
Thankyou for your support 😊
