WHAT’S HAPPENING
- Show Holiday – Friday 17 June
- Last Day Term 2 – Friday 24 June
- Student Free Day – Monday 11 July
- First Day Term 3 – Tuesday 12 July
- P&C Meeting – Tuesday 21st June

PRINCIPAL’S NOTE
This afternoon I head to Townsville for two days in-service regarding the Literacy National Partnerships Program. We continue to have intense focus on the development of literacy and numeracy skills of our students across all grades. In Term 3 we will be implementing focused reading programs in Yr 1 and Yr 4 as these are two key juncture years in the pre and post learning journey for our junior primary students. Parent workshops for these year levels will be offered early in the term.

Only 2 more sleeps until “The Show is on!” I wish all competitors and participants all the best in your endeavours and I am sure we will be entertained by many many Side Show Tales from the students in the weeks to come. Christine Norton.

CONGRATULATIONS
Congratulations to Matthew Anderson and Katrina Croaker on the announcement of their recent engagement. We all wish you a lifetime of happiness together.

VOLUNTEERS WANTED
The P&C would like to invite anyone who would like to volunteer their time in the Home Economics room serving breakfast or assisting with the Homework Support Program, please give Mel Doyle a call on 0418 754 268. Any amount of time you can spare would be greatly appreciated.

CONGRATULATIONS
Congratulations to students who achieved 100% attendance this week!

P&C HOMEWORK SUPPORT CLASSES
Monday – Thursday
Homework Classes are on at 2.30pm to 3.30pm at the School Library. Everyone who has homework is welcome. Hope to see you there. A huge thank you to the parents who volunteer.

STAFF PROFILES
For those who don’t know me, my name is Linda Parkes. My family and I moved to Cloncurry in 2007. I have two wonderful daughters who also attend this school. I am currently studying Cert III in Education Support (Teachers Aide) and thoroughly enjoying my year. This year I am working with the Distance Education Senior Students giving them the support they need to succeed and sometimes a gentle nudge to complete something they thought was out of their reach. What an awesome bunch of students I get to work with and I hope to continue on to see them succeed. Catch ya Linda.

YEAR 10 WORK EXPERIENCE
It is getting to that time again when our year 10s have the opportunity to take part in work experience. This term work experience will be happening from Tuesday 21st to Thursday 23rd June. Work experience assists students with their transition from school to work. Students get to sample what certain work places are like and hopefully the experience will help them with their future career decisions. Year 10 students need to make sure their paperwork is completed as soon as possible. We would also like to thank the community for taking on our students within their workplace. Alicia Wilson – Head of Curriculum – Secondary

P&C MEETING
The next General Meeting will be held on Tuesday 21st June at 5.00pm in the school library.

AROUND THE CLASSROOMS

RAINBOW (PREP) NEWS

I hope everyone had a nice long weekend. This week in Prep we are doing lots of revision including sight words, letters, and numbers.

The children in Prep are very excited about the show. Don’t forget to go and have a look at the great drawings and paintings the children worked so hard on!

Go the Maroons and have a great show weekend. Steph and Lesley 😊

GREEN (YEAR 1/2) CLASS NEWS

It is that time of the year again…. SHOW TIME!! What an exciting part of the year for us in Cloncurry with our annual Cloncurry Country Show. Students are getting very excited; as are we. Please check out all of our wonderful work which will be displayed in the pavilion at the show. Students have entered their dinosaurs in, as well as a painting and a drawing.

Yesterday we were lucky to have the fire engine come in for a visit. We were all able to put on the firefighting jackets and helmets and use the fire hose to knock down cones on the oval. We thoroughly enjoyed our Fire Education Unit and will be able to tell you the fire rules we learnt this term.

Next Thursday (23rd June) we will be having a celebration day. You are invited to our celebration day at 2:00pm. We hope you can come and see our dioramas, dinosaur reports, dream cloths and much, much more! Students have written invitations which we will be sending home shortly.

See you at the show!
Miss Hodson and Miss Hohns

PURPLE (YEAR 2/3) CLASS NEWS

Counting down! Week 8 of a nine week term! Although this is only a three day week, we ask you to assist children to get to school everyday as we finalise assessment. Report cards will be sent home in Week 9! Only two sleeps until the show. Please enjoy our exhibition of art work which will be displayed in the hall. Miss Childs will be supervising a first year prac student next week, and I will be doing the same in the first week of Term 3. Hope you all have a wonderful Show Week end.

Until next time
Warm regards
Miss Lizzie and Miss Childs

BLUE / RED (YEAR 4/5/6) CLASS NEWS

Almost another term over! Well this is the busiest part of term – assessment time! Most students have completed all their assessment tasks however there are still some tasks that need to be completed in order to put results on student's report cards.

Students have had a great time building their houses in technology and have written a wonderful letter as if they were on board the first fleet. They included so much detail in their letters that it was hard to believe that they were not actually there.

This week is a nice short week with only 3 days. We ask that you please send your child to school everyday in order to get all their assessment done. This week students will be finishing off tasks and doing work to wrap up units for the term. Some students are also running low on supplies such as glue, pencils, rubbers and rulers. If you could ask your student if they are missing any of these things and then supply them for your child that would be great! Also a lot of students are coming to school without hats. Please help remind your child to bring a hat to school.

Kelly Rozynski, Rachel Rozynski, Joy Paap & Deanne Hodgetts – Red & Blue Class Teachers
