Learning through real life experiences

Practising our fantastic writing skills

Enrol on Open Day or visit the Cloncurry State School administration to complete an enrolment form, and to arrange an interview. Ph: 4742 8333

Prep at Cloncurry State School aims to enhance children’s development in all areas of the new National Curriculum including:

- Mathematics
- Reading, writing and oral language
- Science, SOSE and the Arts
- Social and personal learning

Prep gives your child the best start to school and develops all the attributes necessary for a life-long learner.

Using the interactive whiteboard to learn the alphabet.
