16th August 2011

Re: 2012 Subject Selection Information Evening

Dear Parent / Caregiver,

I will be conducting information sessions designed for students entering either Yr 7/8, Yr 9/10, or Yr 11 next year. The sessions will cover an introduction to Cloncurry State School for students who may be new to us next year as well as the different subject offerings for particular year levels.

Other topics that will be covered include an update on the National Curriculum and what it will mean for Cloncurry State School next year, School-Based Apprenticeships and Traineeships, the Senior Education and Training (SET) Plan process for students entering Yr 10 next year, and the Queensland Certificate of Education (QCE) requirements for students in Yrs 10-12.

Timings for the sessions are outlined below:

**Date:** Tuesday 23rd August  
**Venue:** Cloncurry State School’s new Resource Centre (Gregory St side)  
**Students entering Yr 7 or 8:** 1800-1830 hrs.  
**Students entering Yr 9 or 10:** 1830-1900 hrs.  
**Students entering Yr 11:** 1900-1930 hrs.

Students in Yrs 8-10 this year will be choosing their 2012 subjects early in Term 4. Subject selections will be done online via the OneSchool website. More information regarding this process will be circulated closer to the time. This will be the first official function conducted in our new Resource Centre which is very exciting. I'm looking forward to meeting lots of people on the night and hope to see you there. If you have any question about the event please contact the school.

Regards,

Pete Keen  
Deputy Principal
