The P&C Committee, which provides our school with a great deal of support, conducted a few activities during the week. The Bingo afternoon and Trivia Night were both widely attended by the community which is a measure of the quality of events that our P&C organises. We were able to say thankyou, through the School Captains and Student Councillors, to the P&C Executive during a special Morning Tea last Friday which was P&C Day.

We had a number of students representing our school at the annual Mt Isa Eisteddfod and they all performed very well. Many of the acts were taking out wins or second place in their categories. Thanks to Ms Patch and her helpers for organising the performances.

Still lots of things happening before the holidays! This week we have Jump Rope for Heart with us and all students have the opportunity to participate in these sessions. We are forming our own Demonstration Team and the plan is then for those students to travel around to other schools to deliver the healthy heart message and to perform a skipping routine.

We also have people from One Sight with us this week conducting vision screening checks on all of our students. This group is in partnership with the Gidgee Healing Clinic and the NRL’s Eat Well Stay Well Play Well initiative. Any student identified as requiring glasses will have them provided free of charge through the school. On top of that awesome news we also had former NRL players, David Peachey and Mark Riddell, with us for the day running football clinics with all the students.

There are plenty of other things happening but too many to mention here. Our school is a busy, busy place providing opportunities for our students to engage in a host of different experiences. Have a great week!

Till next time.........

Pete Keen
**Spelling Bee**

We certainly knew we had some good students at Cloncurry State School and the Spelling Bee on Thursday showed just how exceptional some of our students are in relation to spelling.

The Grade 2/3 finals were probably the most hotly contested with Tahlia Keen, Sepi T’oa (grade 2), Matthew Twomey and Bronwyn Keen (grade 3) fighting it out. Bronwyn Keen finally emerged as the winner.

In Grade 4/5 we again had an enthralling contest as Tony Fewquandie, Skyetaye Wehrman (grade 5), Harry Rush and Chelsea Wehrman (grade 4) fought it out. Chelsea Wehrman was declared the winner.

The Grade 6/7 competition was interesting as Grade 7 nominated three finalists. These emerged after semi-finals were held last week. Mrs Cummins had great difficulty selecting the students to represent her class as there were too many to choose from. On the day Lladyessa Douglas, Francis Cole and Chloe Parkes from grade 7 competed against Conor Sealy and Minnie Rankine from grade 6. Minnie was pronounced winner.

Grade 8/9 students were treated to an intense battle between Daniel Hegarty, Toby Couchman (grade 8), Serena Taylor-Billcliffe and Hannah Bradley (grade 9). Hannah won the day.

The final contest was between Zac Murach, Angela Moxey and Sally McGee - all in grade 10. Sally emerged as the winner.

All contestants who made it to the finals received a prize and the winners will receive a certificate.

Many thanks must go to the Parents and Citizens Association who sponsored the prizes.

Bring on the next Spelling Bee to be held in Term 4!!

---

**Pathways**

**Skip to class, do not skip class...**

During this week’s Pathway’s performance the meaning of truancy was explored. Coming to school and class ON TIME was highlighted as students were given some hard hitting evidence to show how much time is lost over their thirteen school years, when they are only ten minutes late each day.

The pathways presentation looked at how truants can impact on a student's learning thus influencing their results.

Well done to those students who were at Monday’s parade on time.

---

**Ins. Music & Choir News**

On the weekend of the 25th & 26th May our two school choirs and concert band travelled to Mount Isa to perform at the Mount Isa Eisteddfod. All of the hard work leading to this event paid off as:

- Junior Choir – Second place
- Senior Choir – First place
- Concert Band – First place

The adjudicator was most impressed with the sound production our ensembles made as they were small in size but big in sound and was equally impressed we travelled such a distance to compete.

I want to thank all my amazing choir and band students for all of their hard work and dedication leading to the Eisteddfod. You all got on stage and rocked it in true Cloncurry style. I am so proud of all of you and I look forward to many more performances with you for the remainder of the year. I would also like to thank the parents of my choir and band students for all their support and cheering leading up to and including the Eisteddfod. We couldn’t have achieved what we achieved without your support. Miss Katie Patch

---

**School Wide Positive Behaviour Support**

Phew - it has been such a busy few weeks that we had to miss the PB draw for Week 6. We made up for this at Monday's parade and eight winners were drawn.
Choir News

Now the Eisteddfod is over, the choirs are once again open for new members to join. If your child/ren are interested in being involved in choir, they need to come to their age groups rehearsal.

- Junior choir (yrs 2-4) rehearses Thursday second lunch in E109
- Senior choir (yrs 5-12) rehearses Wednesday second lunch in E109. The choirs will now be working towards NAIDOC celebration and the school fete.

Miss Katie Patch

Schools Competitions

The Science ICAS competition will now be held this Friday June 1 and on Tuesday June 5. Previously it was advertised as being on Wednesday June 6 and Thursday June 7 however due to conflicting dates we had to change to times of the competition.

- Grades 3 - 4 will complete the competition in the middle session on Friday June 1 (commencing straight after morning tea).
- Grades 5-6 will complete the competition in the afternoon session on Friday June 1 (commencing straight after big lunch)
- Grades 7 -8 will complete the competition in the middle session of Tuesday June 5 (commencing after morning tea)
- Grades 10 -12 will complete the competition in the afternoon session on Tuesday June 5 (commencing after big lunch)

Teachers will be given a timetable to ensure your child does not miss out. If your child is unable to attend this Friday alternative arrangements can be made.

Homework classes are held in Purple Classroom in B Block Monday through to Thursday afternoons from 2.30pm to 3.30pm. Please contact Elizabeth Rainnie if you have any queries concerning homework classes.

Tutoring for students from Year 7 to Year 12 is held in the Senior Room (A Block) Monday through to Friday mornings from 7:45am to 8:25am and Monday and Wednesday afternoons only from 2:30pm to 3:30pm. All students welcome to attend. Please contact Pete Keen if you have any queries concerning this tutoring.

NORTH WEST TOUCH FOOTBALL CARNIVAL

12 Years & Under

On the 8th and 9th of June 2012, Cloncurry State School will be hosting the 12 Years and Under Trials for the North West Touch Football Carnival.

We have many representatives from Cloncurry State School participating at the trials as part of the Mid West team. Other students competing are from Blackall, Longreach, Barcaldine, and Mount Isa.

Some of these students will be required to be billeted (accommodation in your home) in order for them to participate in this carnival.

If anyone would be available to provide billets for these students it would be greatly appreciated.

Please contact the Office - 47 428 333 if you can provide billets or if you have any queries.

Kind Regards..... Marina Childs.
Cloncurry State School Cooee  4

Qld Outback Representative Team

Congratulations to Schakarne Aitkens and Gavin Crisp for being selected in the QLD Outback U14s Representative Team. These students attended the selection carnival in Longreach last weekend.

Schakarne and Gavin will travel to the Sunshine Coast to compete in the “Glyn Rees City/Country Cultural Exchange”, being held at the Maroochydore JRLFC.

This will be a fantastic experience for both players and we wish them all the best in their competition.

**Get Active**

A reminder to all Parents and Students that Get Active has commenced for Term 2. This term we will be meeting each Monday and Thursday afternoon under the Burke and Wills shed for a variety of ball games and fitness activities.

All students from P-7 are welcome to attend. We spend the afternoon making new friends, getting active and eating a healthy afternoon tea.

We look forward to seeing you this Thursday!

**Miss Turnbull & Miss Oates**

**Chaplain’s Chatter**

CONGRATULATIONS! - I take this opportunity to congratulate 2 students who have been rehearsing after school under my guidance for the past 6 weeks in preparation for the Mt Isa Eisteddfod Speech and Drama section.

Emma-Jade Molly received 2nd place in the Set Poetry and Highly Commended for her Bible reading.

Samantha Parkes received 1st place for her Bible reading.

I am so proud of these young ladies and it is an example of patience and persistence paying off. Go the Curry Kids!!!!!!

**GOING POTTY!!???? Tea potty that is. As part of our Student Council fundraiser this Thursday which is the ‘BIGGEST MORNING TEA’ 10.30AM IN Home Ec room (H Block) We would like to have a tea pot display to create a bit of interest. So I invite parents/carers to come along and support this worthy cause by bringing a small plate of goodies and a donation please. All proceeds go to Cancer Council.**

**BREAKFAST CLUB NEWS** - A big thank you to parents/carers who regularly donate food stuffs to support the breakfast club. It is cooler now and porridge is on the menu! Please feel welcome come along and help from 8AM - 8.25AM any morning that is convenient to you. It is lovely to see the regular students assisting the new students with the process of things. Great team effort.

**MEET AND GREET**- Come along for a cuppa, yummy morning tea and good conversation EVERY THURSDAY 11AM with Patsy, Hombre and myself. Winter has arrived early; keep well. Blessings to you all……. Miss Jenny

**Woolworths Earn and Learn**

Cloncurry State School is once again participating in the Woolworths Earn and Learn program fundraiser.

We would love all members of our community to collect the stamps when you shop at Woolworths and return them to the Office.

This fundraising program gives our School the chance to collect and redeem points and win some fantastic resources for both Classrooms and Library and Art and Craft materials. **The more stamps we collect the more resources we can earn.**

**P&C NEWS**

Thank you to everyone in the community who supported the Cloncurry State School Trivia Night on Saturday night. It was a **HUGE** success and a great time was had by all.

Thank you from the Cloncurry State School P&C and the Senior Students.
A friendly reminder to Parents/Caregivers
School uniforms are available from Lemmons and Cloncurry Travel (Good Homemakers).

SHIRTS are available from Lemmons and Cloncurry Travel (Good Homemakers)

SHORTS/SKIRTS/SHOES etc. available from Lemmons.

PRESENTATION TO FOLLOW MAIN GAME – BBQ AND DRINKS ON SALE.

Denise Hill
Hello to everyone, what a busy week we have had and there is still plenty of learning to be done!!

Speaking of learning, I attended a Professional Development course called "Learning Connections" over the weekend, just up the road in Townsville. It was a very interesting experience and I feel that I have gained more insight into the learning development of our wonderful preps. The training has provided me with the knowledge and skills to use activities that are designed to promote your child's development across a broad range of areas and improve and enhance their learning skills.

I will be introducing fundamental movement patterns into our daily routine so if your child comes saying that they have been "boosting their brain", "creeping" around the classroom, doing "flip flops" or a "worm squirm" it is all part of their developmental program.

We are working on number, sound and letter assessments over the next few weeks as prepps will be receiving their report cards at the end of this term. Prepps also have an English and Science task coming up so they will be busy.

Lastly a few weeks ago Rainbow A performed for the P-3 parade, they will be performing again at the whole school parade on Monday June 4th in the undercover area, so please feel free to come along and see your little "star" perform.

It's all part of their learning, and as class motto says: "There are people who are good, There are people who are better, But in prep we are THE BEST" Until next week, have a good one.

Mrs Nola McClafferty and Mrs Lesley Wood

Mrs Nola McClafferty and Mrs Lesley Wood

Last week students revised over the oo sound - "look" and "oo" boot sound as part of their spelling activities. Students completed their published copies for characters descriptions for the show. They also completed the painting, drawing and craftwork for the show.

Only a couple of weeks now, so make sure you put it on your calendar to see you child's work displayed at our Cloncurry Show!!

Reading groups has had a strong focus on teaching children to read fluently (smoothly). Well done to all students who have increased their sight words bank and jumped levels in PMs.

During mathematics we have studied numbers that are more than, less than, before and after. Yes PRACTICE, PRACTICE, of counting in 1s 10s 2s and 5s to 100.

Students have explored, developed and made patterns (that's right algebra in year 1!!) during maths experiences. Ask them to draw a pattern for you at home or make one with Lego blocks etc.

Next week students will be starting end of term testing. Please make sure you child gets a good night sleep and a yummy filling breakfast.

Many thanks to all parents who have ensured your child has their homework in on FRIDAYS. This is MUCH APPRECIATED!

REMINDERS for EACH day - packed healthy lunch, WATER BOTTLE, hat and full school uniform...

Permission notes that need to be returned…. HEARING, SIGHT, JAMES and GIANT PEACH (money too). Thanks....

Miss Marina Childs
**Purple Class (Year 2A) News**

It is that time of year when little people have runny noses and coughs, so we are asking parents to bring in some tissues as we are very low in stock. It would be greatly appreciated.

Homework is an integral part of our school and classroom, so could you and your child please make sure that your homework is completed and returned each week. The homework that is set each week is for the students to revise what they have been learning in class.

This week for Science we are starting to make our push and pull toy. The students will need to have brought in their bits and pieces for making their toy design by Thursday as we are making it on Friday. Thank you to those who have already brought in things.

James and the Giant Peach is next Wednesday 6th June in Mt Isa at the Civic Centre. We will be leaving at exactly 9:00am sharp. Please make sure that your child has a water bottle, wide brimmed hat, lunch and a snack.

Happy Learning......

Mrs Deanne Hodggets and Miss Claire Oates

---

**Yellow Class (Year 2B) News**

A quote from a reluctant reader “I am very proud of myself! I have just read a book that I found very interesting! I love reading! That’s what can happen when you combine good diagnostic tools with excellent teaching support. ‘Success breeds success!!!’

Until next week!

Warm regards Elizabeth Keim (Miss Lizzie) and Year 3

---

**Blue Class (Year 4) News**

A big thank you to all of the parents, family members and carers that attended our class open day last week. We had an enjoyable afternoon of hands on maths activities and it was wonderful to see so many parents getting involved with the kids.

Parents please note that as of this week the homework cycle will revert back to the original Monday to Friday format that was used in term 1. However, I understand that every family situation is different and as such, if it is helpful to have the weekend as well to aid homework completion, please let me know.

The cold weather we’ve had recently has not only meant that we have been coming to school in jumpers and warm clothes, it has also resulted in the temperature of our classroom aquatic environment dropping below a temperature able to sustain the lives of our billabong bugs. Billabong bugs need a surrounding water temperature of between 23 and 29 degrees Celsius. This has taught us an important lesson in biological science. It has highlighted the substantive impact that changes in the environment can have on living things in that environment, and has brought about some very interesting scientific discussion in our classroom.

---

**Green Class (Year 3) News**

Hello again our wonderful parents and carers!

Here in Year Three, not only do our boys love camping, sport, fishing, football and riding their bikes, they ALSO LOVE READING!!!!!!!!!
In SOSE we are continuing our journey discovering more about traditional Indigenous Australian culture and in particular that of the Mitakodi people. At the moment we are focusing on the use of symbolism in Indigenous artworks. We are working on the creation of our own little sculptures using dried pulses and clay. Look out for some of these at the Cloncurry Show in Week 9!

Have an inspirational week!

Miss Katrina Madigan

It’s hard to believe that we are over half way in term 2!! This week we are starting our new unit for English. We are looking at making an animated story using PowerPoint. Our story will be a narrative with a moral dilemma as the complication! We have been brainstorming some different moral dilemmas.

In maths we have been looking at writing fractions as decimals. We got to use a really cool interactive learning object that helped us understand tenths and hundredths much better. We will soon begin learning about chance.

In science we are about to begin our profiles of the planets and creating a poster showing 3 facts about each planet.

In SOSE we have started planning our town. This week we will be justifying some of the decisions that we made.

Dance is getting better and better every time we practise. Well done to Red Class for their creative thinking.

I hope you all have a wonderful week.

If you have any questions or concerns please feel free to contact me.

Kelly Rozynski
