Hi, Welcome to Cloncurry State School P-12. Did you know that we are a Jump Rope for Heart school and that we have a skipping squad?

**Our squad is the “Curry Jumpstars”**.

We have been a skipping school for some time now and in our squad there are 20 students from years 4-12 along with our two coaches – Mrs Armstrong and Ms Hahipene.

We love skipping here at Cloncurry State School P-12 and perform regularly for the school.

Lastly if you see us around town at events skipping give a cheer and enjoy the show.
