8th March 2012

Dear Parent / Caregiver / Community Member,

You are invited to join Mr Mick Inman, QRL Referees’ Development Officer, for a rules refresher session. The details of the session are below. You don’t need to be a referee to attend.

Date: Thursday 15th March 2012
Time: 1800 – 2130 hrs
Venue: Cloncurry State School new library (Gregory Street entrance)
What to bring: Current rule book (if you have one), a biro, appropriate footwear for an outdoor skills session, and a whistle (if you have one).
Cost: Free

Anyone aged 14 years or older is able to attend. Refreshments will be provided. Come along and see if you really know as much as you think you do about the great game of Rugby League.

Please RSVP to the school office if you intend to come so I can advise Mick of numbers prior to the session. Mick’s contact details are included at the bottom of this letter if you wanted to clarify anything with him about the session.

Hope to see lots of people there!

Regards,

Pete Keen
