**English**

In English this term we are learning about Poetry. The class are looking at a variety of Poems and are identifying the features which make up a Poem. This includes Rhyme, repetition, nouns, verbs and adjective. The main poem we have been focusing on is Look see, look at me!

**Maths**

In maths this term we are focusing on direction and 3D shapes. Direction - The class need to direct another student from one corner of the class to another. Using directional language including left, right, forwards, sideways. 3D shapes - The students describe and compared the features of 3D shapes.

**Science**

In Science this term we are learning about sinking and floating. The class have been predicting if it would sink or float then compare our results.

**Technology**

At the end of the term we are looking at the importance of technology. Then students will design and make a product.

**Year 1 Notes**

We will have PLP meetings later in the term which is a fantastic opportunity to celebrate your child’s achievements and to set new goals with them. Please feel free to come and see me at any stage throughout the term.

**The Arts**

In art this term we are exploring different patterns and textures. Students will also be working on their artwork for the show which will include patterns and textures.

**HPE**

In HPE students are learning to develop locomotor and object control skills. Students will have an opportunity to experiment with different equipment and how it affects different parts of their bodies.

**Geography**

In Geography we are looking at natural, managed and constructed environments. We are going for walks around the school and observing different spaces. We are also learning how to care for these spaces.

**Calendar Events**

- **Cross Country** - Friday 28th April
- **Show holiday** - Friday 9th June
- **Fire safety education** - Friday 16th June.

**Pastoral Care**

Each fortnight we are focusing on a different school rule. In our classroom when a student demonstrates the focus rule they will move up on our class chart. Their aim is to receive 3 PB’s each a day. The four rules are be responsible, be safe, be respectful and be a learner.
